# Chapter 115. Cabarets

## § 115-1. Definition.

The term "live entertainment," as used herein, shall include, but not be limited to, all live action performances provided for customers, including, but not limited to, live band and musical performances, comedy acts, dance reviews and routines and other similar forms of entertainment.

## § 115-2. License required.

No person, firm or corporation operating any Class B licensed premises shall permit, allow or offer live entertainment for its customers without first obtaining a Village cabaret license as provided hereinafter.

## § 115-3. Application for a license.

- A. Application for a cabaret license shall be filed with the Village Clerk. Such application shall designate:
- (1) The specific premises intended to be licensed;
  - (2) What experience, if any, applicant has had in operating a similar type business, giving the dates and location of such operation;
  - (3) Whether the applicant has been convicted of violating any federal, state or local laws;
  - (4) The name of the person or company owning the premises for which an application is being filed;
  - (5) Such other information as the Administrator may require.

B. Each application shall be accompanied by the required annual license fee as enumerated in Chapter **33**, Fees, of the Village Code.

## § 115-4. License fees.

A. At the time of filing the application with the Village Clerk-Treasurer, the applicant shall also pay the license fee as provided in Chapter **33**, Fees.

B. The license fee may be prorated if issued after the 31st day of December.

C. License fees shall be refundable if the license application is denied or withdrawn before issuance; provided, however, in such cases the application fee as provided in Chapter **33**, Fees, shall be retained.

D. Licenses shall not be transferable between persons, firms or corporations, but the holder thereof shall be permitted one transfer of said license to another location within the Village during a license year upon payment of an additional fee as provided in Chapter **33**, Fees, and upon approval of the Village Board.

## § 115-5. Investigation.

It shall be the duty of the Village Administrator to investigate or cause to be investigated each original application for a cabaret license. In making such investigation, the Village Administrator shall have the assistance of the Health Department and the Police and Fire Departments. Within 14 days the Village Administrator shall advise the Village Board the results of the investigation made.

## § 115-6. Issuance and renewal.

After receiving and giving consideration to the report of the Village Administrator and to such supplemental reports from the various Village inspectors and departments as the Village Board deems advisable, the Village Board shall either approve or reject the application on file. All renewals shall be processed as original applications. Licenses shall terminate on the 30th day of June each year.

#### § 115-7. Short-term cabaret licenses.

As an alternative to the application for the issuance of annual cabaret licenses, application under the provisions of § **115-3** may be made to the Administrator and a short-term license may be issued by the Village Board not to exceed three consecutive days for a fee as provided in Chapter **33**, Fees. No more than three such licenses shall be issued annually to any one person, agent or business.

#### § 115-8. Hours of entertainment.

On premises licensed hereunder, no music or dancing of any nature shall be permitted after 12:00 midnight of each day except Saturday and Sunday, when the time shall be not later than 1:00 a.m. of the same day. On January 1 each year, such entertainment may continue until 2:00 a.m.

#### § 115-9. Conduct on and condition of premises.

A. The Chief of Police or his designee shall have the power and authority to summarily suspend any cabaret license whenever they have reasonable cause to believe that any indecent or immoral act or exhibition or any disorder of any gross, violent or vulgar character is permitted or is taking place on such licensed premises.

B. The licensed premises shall at all times be maintained in accordance with the provisions of Village Code. Any violations thereof shall be grounds for suspension or revocation of said license.

C. The licensed premises shall be so designed and constructed as to prevent any noise or sound emanating therefrom; any violation hereof shall be considered a public nuisance as provided in § 177-I of the Johnson Creek Village Code, and, in addition, shall be grounds for suspending or revoking a license issued hereunder.

#### § 115-10. Suspension and revocation.

In addition to the provisions hereof, the Village Board, upon five days' notice to the licensee and after public hearing, may suspend or revoke any license issued hereunder where it determines that there has been a violation of the provisions of this chapter or a violation of any federal, state or local law. The length of suspension shall be determined by the Village Board.
